

## **Rev. Suzanne Suchan, BMsc: Written in the Stars**

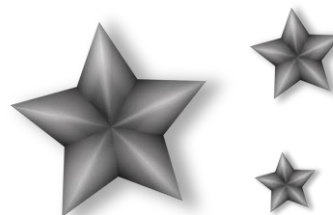

**Rev. Suzanne Suchan, BMsc, is a professional astrologer, energy healer, psychic and wedding officiant, with a private practice in Orchard Park. She teaches classes and workshops on astrology and other metaphysical topics across Western NY—including annual presentations at Lily Dale each year.**

**Historically speaking, what are the planetary “big deals” that indicate generational markets and major milestones in the evolution of mankind? How can astrology predict life events? What can we expect throughout the rest of 2019 and into early 2020? It IS a big deal, and it is already written in the stars!**
