

Integrative Healer's Certification Program

Discovery Call

Suzy Woo will offer an overview and curriculum of the program, how it goes, what it looks like and will answer all your questions!

If you can't make this call, please email your questions right away while you're thinking of it to hello@suzy-woo.com and she will respond to you with your answer via email; and if appropriate, the question will also be included during the discovery call because odds are others might have the same question.

Payment plans are available.

Certifications will not be issued to students who have balances due. Due to the 'No Healer Left Behind' premise that Suzy very strongly stands behind, all considerations will be looked at so that all who feel powerfully called to take this course at this time, but have financial constraints, may do so, within reason.

If you register for this zoom call, and are unable to join, the replay will be sent to all registrants of this call.
